PANUI Ā KURA

Ko te Raapa te 7 o Haratua 2025

THE COUGHS AND ILLNESSES OF NGAHURU HAVE ARRIVED TELLING US THAT IT IS TIME TO TAKE PRECAUTIONS TO KEEPING OUR TAMARIKI HEALTHY. ENSURING THAT OUR TAMARIKI HAVE THE RIGHT AMOUNT OF SLEEP, NUTRITION AND OTHER THINGS TO WARD OFF THE BUGS IS OUR FIRST PROTECTION. HOW WE MANAGE OUR OWN CHILD'S HEALTH WILL PREVENT OTHERS FROM CATCHING IT.

SAFE HYGIENE PRACTISES AT KURA

WE WILL CONTINUE TO ENCOURAGE OUR STUDENTS TO WASH THEIR HANDS. COVER THEIR MOUTHS WHEN COUGHING AND USE TISSUES AND DISPOSE OF THEM SAFELY WITHIN THE AKOMANGA.

.

Knowing when your child is sick

We ask that you keep a close eye on your child as they may start to show early symptoms. If you suspect it is something other than a cold or flu you should get tested as soon as possible. There is a free test at Queen Street if you would like one.

Attendance and sickness

If your child is sick please ring into the office and let Kōkā Phil know. However we are keen to get them back when they are healthy so that they can continue their learning in their akomanga.
